

**Listing of the Claims**

1. (Presently amended) An optical fiber lighting device for a flower display comprising:
  - at least one flower in an open flower display;
  - a lighting device having
    - a power source;
    - a light source driven by said power source to emit light; and
    - an array of optical fibers directly receiving light emitted by said light source, said array of optical fibers transmitting said light to illuminate said at least one flower, wherein the flower display is selected from the group consisting of a corsage, a wristlet, and a boutonniere.
2. (Original) The optical fiber lighting device for a flower display of claim 1 wherein said light source is a light emitting diode.
3. (Original) The optical fiber lighting device for a flower display of claim 1 further comprising:
  - a switch to turn said light source off and on.
4. (Original) The optical fiber lighting device for a flower display of claim 1 wherein said power source is at least one battery.
5. (Cancelled)
6. (Cancelled)
7. (Cancelled)
8. (Cancelled)

9. (Original) The optical fiber lighting device for a flower display of claim 1 further comprising securing means to fasten said lighting device and said at least one flower to clothing.

10. (Cancelled)

11. (Cancelled) The optical fiber lighting device for a flower display of claim 10 wherein said flower display is a bouquet.

12. (Presently amended) An [The] optical fiber lighting device for a flower display [of claim 10] comprising:

at least one flower in an open flower display;

a lighting device having

at least one battery;

a light emitting diode driven by said at least one battery to emit light;

a switch to turn said light emitting diode off and on; and

an array of optical fibers directly receiving light emitted by said light emitting diode, said array of optical fibers transmitting said light to illuminate said at least one flower,  
further comprising securing means to fasten said lighting device and said at least one flower to clothing.

13. (Original) The optical fiber lighting device for a flower display of claim 12 wherein said flower display is a corsage.

14. (Original) The optical fiber lighting device for a flower display of claim 12 wherein said flower display is a wristlet.

15. (Original) The optical fiber lighting device for a flower display of claim 12 wherein said flower display is a boutonniere.
